## DAHLONEGA, GEORGIA

*Gracious dining near Dahlonega's historic town square*

Just outside picturesque Dahlonega, there is a casual and friendly restaurant where the ambiance is as imaginative as the food, and the prices belie the quality: Yahoola Creek Grill.

Inspired by authentic Southern cuisine, Yahoola Creek Grill serves up homemade comfort foods, reinvented for a modern palate. Seasonal menus treat North Georgia foodies to the best of fresh, local ingredients at affordable prices.

Yahoola Creek Grill is known for specialty dishes that reflect its Southern roots. The Southern Fried Green Tomato Stack, a mouth-watering combination of hand-breaded green tomatoes, warm goat cheese layers and sweet balsamic barbecue sauce, is a signature appetizer.

A popular entrée is Shrimp and Grits, with blackened shrimp, andouille sausage, smoked Gouda cheese grits, red pepper cream, and asparagus, a Southern-seafood

combination you won't find elsewhere.

Desserts, made to perfection from scratch, and an extensive beer and wine list round out the diverse menu.

But Yahoola Creek Grill is as much about the ambience as it is about the food. The mountain views, cozy atmosphere and friendly staff make you feel at home from the moment you arrive. Ample seating in the restaurant and on the deck is both elegant and understated.

Upstairs you'll find The Loft, a room designed for fun and business. With a spacious dining area, leather-sofa lounge area, 60" television and free Wi-Fi, the Loft is the perfect place to grab a bite with friends or watch the game. The laptop-compatible television makes The Loft an ideal setting for business and group meetings.

With great accommodations and a willingness to tailor menus for special occasions, group events and parties are right at home at Yahoola Creek Grill. The restaurant also hosts themed events, including "SIP Sessions"—a dinner and wine tasting.
